EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Benjamin Mieliulis on March 29, 2004.

The application has been amended as follows:

Please cancel claims 1 – 3, 6, and 7.

Please amend Claim 4 as follows: A nonwoven resistant to slippage comprising: a nonwoven substrate having top and bottom surfaces, at least one surface of said nonwoven substrate being coated with microcapsules containing an adhesive, said microcapsule coated nonwoven having an average drag force of at least 250 grams and an adhesion value of 5 to 50 grams per centimeter width, said nonwoven substrate having a second material laminated to the opposite surface of the nonwoven. [The nonwoven resistant to slippage according to claim 1 wherein the nonwoven substrate has a second material laminated to a surface of the nonwoven.]

In Claims 5 and 8 – 14 delete --improved -- from line 1.

2. The following is an examiner's statement of reasons for allowance:
3. The phrase improved was removed from the allowed claims to avoid any confusion with Jepson claims. Also claim 4 was amended to be written as an independent claim.
4. Claims 5 and 8 – 14 are allowed for the reasons of record.

Art Unit: 1771

5. Claim 4 is allowed since the prior art fails to teach or fairly suggest a multilayer non-slip composite material comprising a nonwoven material having a microcapsule adhesive coating on one side of the nonwoven material and a second material laminated to the nonwoven material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
